---

### **NOTE:**

Since we are a chapter of the Cymbidium Society of America, it is recommended that members also join this organization. Under the CSA umbrella we have access to having our outstanding plants judged for awards. We also have insurance coverage as a chapter of CSA, a 501 (c)(3) Tax Exempt organization. To learn more, visit their website: [www.Cymbidium.org](http://www.Cymbidium.org)
